How can you help?

Regularly listen to your child read, discuss the text and record this in their reading record.

Help them to practise their mental arithmetic skills including multiplications, quick addition/subtraction, fractions and percentages.

Help your child to learn their spellings ready for the weekly test.

Research areas of the curriculum with your child.

Reminders

PE Kits- Need to be in school every day Monday until Friday.

Water Bottles- Need to be in school every day and should contain water only.

Weekly Homework- Will be given out every Monday.

Spellings and Arithmetic- Tested every Monday and then sent home.

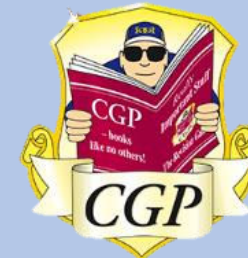

Times tables – Try to play Times Table Rockstars regularly through the week. You could be the Times Table Rockstars Champion of the week!

Optional Themed Homework - Will be shared at the beginning of each term and shared in the last week of term.

Online Tools to Support Learning

MATHSFRAME.CO.UK

We value the support of all parents and carers. If you feel that you can help in any way with the work we are covering, then please let us know or if you would like any further information regarding this term's curriculum please do not hesitate to contact the academy.
