A Message from our PTFA

We would like to say an enormous thank you to one of our parents- Melanie West- who has managed to secure a very generous donation of £500 on behalf of **Lindum Group Ltd**. This money will be put towards the funds being raised for outdoor instruments for the children.

We would also like to remind everyone of the **300 Club** and would invite anyone who still wants to purchase a square to get in touch with a member of the PTFA.

FUN DAY

Our PTFA are organising a fun day for all of our children on Thursday 15th July.

We would like to invite the children to come to school in **non-school uniform** on this day and lots of fun activities and treats have been organised for them to enjoy.

The PTFA are asking for a **voluntary donation of £1** and members of the team will be on the gates as the children come in to school on that day to collect any donations. Many thanks.

What a year!

It is incredible that another academic year is nearly over! It has been such a difficult year but through everything, our children have consistently shown just how incredible they are.

We hope you feel as proud as we do of our academy, and we would like to thank parents for their consistent help and support given to us throughout this year.

As is always the case in schools, the end of the year is a very busy time: reports are being produced, transition sessions are underway and staff are working hard to complete all of the necessary learning prior to the summer break.

All I can say is one enormous thank you from all of us for everything that you have done to support the academy this year and we shall look forward to the exciting things that we hope the next academic year holds in store for us!

Miss Mallott

As many of you will be aware, Miss Mallott will begin her maternity leave at the start of the next academic year. I am sure you will all want to join me in wishing her all the very best as she begins this new adventure.

We shall look forward to sharing any baby news with you and then welcoming her back to the academy once she is ready to return.

Book Amnesty

We have some very keen readers within the Academy which we are always pleased to see! As a result of this thirst for reading at home, we often find that some of our school reading books have become misplaced or lost throughout the course of the academic year.

So that next year's pupils can also benefit from these resources, can we please ask you to search on your book shelves or even down the side of the sofa to see if there are any books with the Manor Farm Academy stamp located on the inside page.

Please can the children return these to the class teacher.

Staffing

Thank you for your patience with regards to staffing within the academy. As you can appreciate, Manor Farm Academy is in a phase of growth and therefore a number of new appointments have been made. We can assure you that we are always committed to ensuring that the highest possible provision is in place for our pupils. Decisions regarding staffing and classes are therefore made with the greatest levels of scrutiny and thought. We are sorry to say goodbye to Mrs Easey, who has supported the academy in a midday role for a number of years. We wish her all the best for the future.

We would like to share the following appointments with you:

- 1:1 Teaching Assistant- Mrs Leaning
- Midday Supervisor- Mrs Oliver
- Midday Supervisor- Miss Hart
- Class Teacher- Mr Liddiard
- Class Teacher- Mr Hay

I am sure that you will join me in wishing them all every success for their time here at Manor Farm Academy

If you have any questions please do not hesitate in contacting the Academy.

Book Recommendations

Early Years Foundation Stage

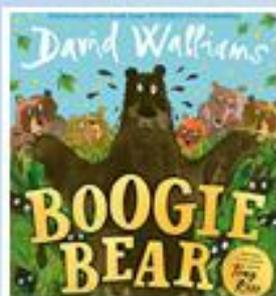

"Reception are busily setting up their own vegetable plot. Let's hope they have more patience than Jasper!" *Mrs. Rocks*

"A very funny version of the original story of Jack and the Beanstalk. The children will love discussing the various ways that the giant tries to improve his looks! One of my favourites."

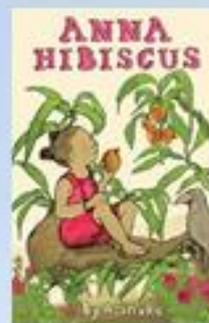

Mrs. Rocks

Key Stage One

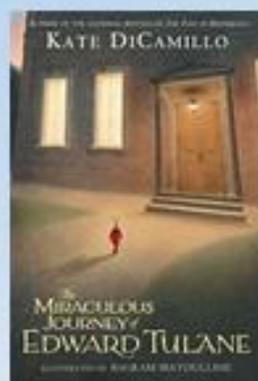

"A heart-warming story about a polar bear who travels the world looking for a new home. She eventually finds a new home where difference and diversity is celebrated. Many laughs were shared in Year 2 by this fantastic book." *Miss Hudson.*

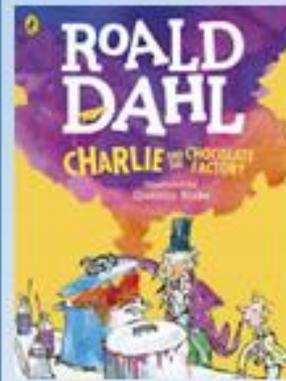

"In Year 1 we have been reading this charming chapter book! We have thoroughly enjoyed learning all about 'the proper African way' in which Anna Hibiscus and her family do things. We have imagined, questioned and discussed many topics within this story." *Miss Sellers.*

Key Stage Two

"Year 3 have thoroughly enjoyed reading this enchanting book. It tells the story of a china rabbit named Edward who learns what it means to love and feel wanted by others. It's a beautiful book in every sense." *Mrs Boost.*

"Year 4 have selected to read this witty, wonderful and wildly imaginative book. It tells the story of a boy named Charlie, who is introduced to a magnificent world behind the closed doors of a chocolate factory. What makes this story so heart-warming is the celebration of friendship and family love along the way." *Miss Mallott*
