Welcome back to the Summer Term

We are excited to have started our summer term of learning within the academy. Although this is the final term of the academic year, there are a lot of exciting challenges and skills to be learnt.

Your child's class Curriculum Newsletter will also be issued this week. This will contain updates with regards to the topics which your child will be studying during the term ahead.

May 2022 Newsletter

Parents' Consultation Evenings

Many thanks to all who attended the Parent Consultation Evenings last term. We were grateful for the support and positive comments with regards to your child's learning and progress. We would also like to thank you for the responses given to our questionnaire. The information we gain from questionnaires is used to inform our improvement priorities here in the academy, and the feedback is very much valued and appreciated.

Fundraising

We want to share the news that one of our Year 4 pupils has achieved something incredible recently. A few months ago, this pupil decided she wanted to do a cycling challenge. Her goal was to cycle 100 miles during April and raise £100 for a local charity—Comfort Bags for Children. This challenge has now been completed and she has raised a whopping total of £390! We are so proud of her achievement!

Fundraising

One of our Year 3 pupils has taken the decision to raise funds for the amazingly worthwhile charity "Little Princess Trust" by "Braving the Big Chop" and having a big hair cut—donating over 40cm to the trust.

Should you wish to support her in this and donate to Little Princess Trust, please click [here](#). We're sure you'll agree that this is such a wonderful act of kindness!

Staffing update

Before half term break, we said goodbye to Mr Liddiard who had been teaching in Year 5. We are pleased to share with you that Miss Davies has joined our team and is currently teaching in this class.

Furthermore, we would like to inform you that we have received a resignation from Miss Mallott, who is currently on maternity leave, and she will therefore not be with us from September 2022.

I'm sure you will join us in wishing both of them all the best for the future.

Mini First Aid

All pupils from Reception to Year 5 have now taken part in a Mini First Aid session. Both days were a great success and this was recognised by all pupils receiving a first aid certificate.

Internet Safety

Throughout our curriculum, pupils in the academy have learn about e-safety. Pupils learn facts, dangers and boundaries related to the internet. As Social Media is increasingly being used by pupils of a younger age, please take the time to look at these websites if you would like more information or advice about keeping your child safe online:

www.thinkuknow.co.uk

www.net-aware.org.uk

www.getsafeonline.org

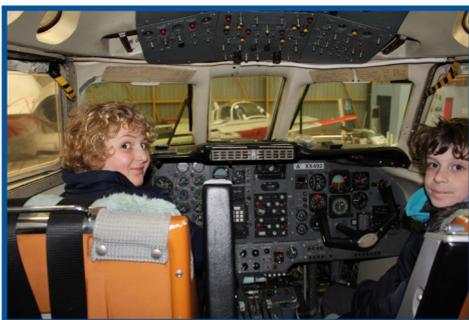

www.childnet.com

Labelling Clothing

We would like to take this opportunity to remind you all of the importance of labelling all items of clothing- whether that is jumpers, t-shirts or sunhats. When items of clothing are lost, they can quickly be returned to their owner if they are labelled. If there is no name in an item, it is more difficult to find the owner and these items are placed in our lost property box.

We really do appreciate those of you that already take the time to do this - thank you.

Assessments

Please find the dates for Year 1, Year 2 and Year 4 national assessments below. It is vital with regards to school data and your child's own personal records that your child is present within these weeks:

Y1: Phonics Screen Test:

WB 6th June 2022

Y2 SATs:

WB 2nd May 2022

Y4 Times Table Check:

WB 13th June 2022

Warm Weather

Hopefully during this term, the weather will get warmer! As the weather gets warmer, please can you make sure that your child has access to a water bottle in school so that they do not become dehydrated. If the weather is likely to be excessively hot, please ensure that your child wears sun cream. We are happy for them to apply it to themselves during school time if this needs to be topped up. We would also ask for sunhats to be provided too.

Diary Dates

May

- 9th**– Year 4 Sports Event at Lincoln University
- 17th**– Year Trip to Woodside
- 19th**– Period Ed Talk for parents of pupils in Year 4 & Year 5 (4pm)
