L.E.A.D. Teaching School Hub

'Working together to lead the highest outcomes for all.'

L.E.A.D. Teaching School Hub Lincolnshire was launched in 2021 as one of the 87 organisations to be awarded Teaching School Hub status by the DfE. The Teaching School Hub is designated to work with schools across Lincolnshire and throughout our Trust. It supports every school type and phase, including nursery, primary, secondary, special and alternative provisions.

The role of the Hub and the Trust is to promote the importance of high-quality continuing professional development, from Initial Teacher Training through to executive leadership, supporting teachers throughout their career in a sequential and cohesive way. During 2021/2022 the TSH delivered 167 days of CPD to 2,163 participants, supporting 233 schools in total. The ability to access this high-quality professional support is therefore a significant opportunity associated with joining our Trust.

A message from the Headteacher (Andrea Collins)

At Manor Farm Academy we strive to provide the best possible education and to ensure happiness and achievement for all. Through high expectations, we instil a sense of pride and confidence within all of our pupils. Achievement is recognised and celebrated. We passionately believe that education is a lifelong journey and that it is our role, alongside parents, carers and the wider community, to prepare our pupils to have all of the skills necessary to become successful citizens and be able to contribute fully to society.

We have developed an environment where respect and honesty are valued, and individuality and difference are celebrated. By harnessing the sense of wonder, curiosity, determination and independence that we see in our youngest pupils, and by encouraging our pupils to never stop asking why, we hope that a love of learning that extends beyond our academy walls is fostered. It is important to us that every pupil that leaves Manor Farm Academy is the best that they can be, that they are kind, confident and articulate and that they have a strength in their own convictions.

Our curriculum is ambitious and fosters our pursuit of both academic excellence and personal development- no time is wasted in realising this. Throughout their time at our academy, our pupils are inspired to discover new knowledge because of the deliberately planned opportunities for enrichment.

We believe that everyone in the school community: pupils, staff, parents and governors are partners with important contributions to make to the success and daily life of the academy. Manor Farm Academy is a warm and welcoming environment and we are dedicated to working together in order to achieve excellence and high outcomes for all of our pupils.

About Manor Farm Academy

Manor Farm Academy aims to offer outstanding educational opportunities for the pupils and community it serves. It seeks to ensure all pupils receive the very best start to life, and will prepare them for life beyond primary education. Learning will strive to successfully challenge, motivate and enthuse all pupils with the ultimate aim of acquiring the skills necessary to succeed in life, at a rapid rate and to an exceptional standard.

Manor Farm Academy is situated in a small Lincolnshire Town of North Hykeham within the District of North Kesteven. It is a single site, accessed from the main estate road, serving the area of development that links to both Mill Lane and Newark Road. It is a newly built academy designed for pupils between the ages of 4-11 years old. Opening initially in 2016, it reached its full capacity in 2022.

Manor Farm Academy currently has seven classrooms, a hall, computing facilities and resource areas, plus all other facilities for an academy of its size. Most classrooms face in a south-easterly direction and open

onto a covered area which provides shade during the summer months. The academy is designed to be pupil friendly with a variety of colours, textures and shapes used in the design. The windows have been positioned to make the most of the surrounding views and are set at appropriate heights for the pupils. The central space within the academy is flooded with light, via both northerly and southerly clerestory windows.

The academy is of a modern appearance and was specifically planned to be environmentally friendly. It is intended to be a lesson in sustainability and, as such, has low energy lighting, solar panels to heat domestic hot water and a rainwater recycling system.

Developing Staff, Developing Leaders

Learning and success is at the heart of our culture, so we invest in the development of our staff as learners and developing leaders. There is a rich programme of CPD which include leadership opportunities, NPQs, in house training, National College courses and working with the L.E.A.D. Teaching School Hub.

As a teacher, within the Trust, you also have access to high quality professional development and a wealth of support, including from the Headteacher and the Trust Director of Schools for Lincoln.

The academy is fortunate to have a strong and supportive governing body, who share our commitment to further strengthen teaching and learning and ensure that all children reach their full potential.

Applications are invited from those with appropriate experience and we would encourage you to visit the school to meet our children and staff.
